Re: Cricket Valley Energy Center (CVE) Environmental Review

Dear Mr. Hogan:

I am writing on behalf of the Dover School Board to request the school district be added to your list of Interested Parties for the environmental review of the Cricket Valley Energy Center.

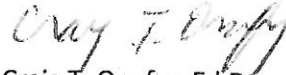

We would like to develop on-going communication with you and your department in your role as Lead Agency as the SEQR process moves forward. The district's largest campus sits one mile north of the site. Our interests include safety, traffic and economic impacts to name a few.

We look forward to learning more about the project. Please inform us whenever any new information is available. The contact information is:

Superintendent of Schools  
Dover Union Free School District  
2368 Route 22  
Dover Plains, New York 12522

Feel free to reach me at 845-832-4500 for additional information. Thank you.

Sincerely,

  
Craig T. Onofry, Ed.D.  
Superintendent of Schools
